MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 3 to Contract No. NY-A-501 with The Ramo-Wooldridge Corporation, Los Angeles 45, California, Project CHALICE (NAVY).

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in paragraph 5.

2. Contract No. NY-A-501 covers the Navy's requirement for 24 System 3 M-2's and related equipment. This Amendment No. 3 covers a cost overrun due to additional R and D work on new components such as the monitoring unit, control and indicator unit. No fee is being claimed on the overrun costs.

3. This Amendment No. 3 results in a net increase of which should be obligated during FY 1959 against Navy "No Year" funds. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
